(cid:127) Promote development of skills of low-income people and facilitate their integration into the environment. (cid:127) Defend the rights of disadvantaged people and raise community awareness of issues linked to poverty. Description The MultiCaf Community Cafeteria, founded in 1986, is a non-profit organization which aims to help disadvantaged people in the neighborhood Côte-des-Neiges/Snowdon. Our community cafeteria is open to everyone from Monday to Friday where 260 hot meals as well as breakfast are served daily. Our service food assistance provides some 750 families with food baskets every month balanced according to the recommendations of the Canadian Food Guide, throughout the year. The ideal of the founders of MultiCaf was not limited to food assistance. They were convinced that the problems linked to poverty required the organization to go further. MultiCaf was to become a meeting place where disadvantaged people could come together to avoid isolation and demand together a just and equitable society. To this end, MultiCaf offers a large program of complementary activities such as food workshops and other relevant topics, recreational outings, a monthly newspaper (written by our members), etc. Visit our website at www.multicaf.org

Organization 6: Lunch Box Workshops

URL: <https://macommunaute.ca/bottin-des-agences/ateliersboitealunch/>

Website: <http://boitealunchndg.org/>

Description: ABOUT THE ORGANIZATION Contact details 6244 Rue Sherbrooke Ouest, Montreal QC H4B 1M2 514-967-6374 Social networks Contacts (1) MERISSA NUDELMAN Coordinator 514 967 6374 Communicate with this contact Mission Les Ateliers Boîte à Lunch, a project carried out by the Action 6-12 Committee since 2003, aims to educate people about healthy eating and safety food for families in Notre-Dame-de-Grâce. As part of this project, children from primary and secondary schools, as well as neighborhood families participate in workshops educational and free cooking in connection with the community centers of Notre-Dame-de-Grâce.

Description Les Ateliers Boîte à Lunch is a program which aims to provide education in healthy eating and food security for young people and families in Notre-Dame-de-Grâce by carrying out free cooking and nutrition activities in community centers.

As part of this program, children from primary and secondary schools participate in educational workshops where they prepare the contents of a healthy lunch box. Families also have the opportunity to meet in neighborhood community centers to prepare and share meals. OUR OBJECTIVES Improve the food security of young people and their families by: making it easier to prepare and share free, nutritious meals; accompanying the participants in their learning of the relationship between food, health, the economy, the environment sustainable, and cultural traditions. Enhance self-esteem and autonomy by: developing knowledge, know-how and skills related to food; promoting the development of social skills, strengthening the feeling of belonging and developing a sense of cooperation; ensuring discovery and openness to different cultures through learning the kitchen. encouraging the adoption of healthy lifestyle habits. Support parents by: offering opportunities to break their isolation, strengthen their sense of belonging, develop better support networks, and establish closer links with community services; creating collaboration spaces that facilitate their integration into the community; reducing the obstacles to integration into the labor market by providing places to practice the language French as well as offering work experience opportunities; developing a better knowledge of attitudes promoting healthy eating and health. OUR ACTIVITIES MAIN Extracurricular cooking workshops for children in 4th and 5th grade primary. Extracurricular cooking workshops for high school students. Workshops cultural cooking with the family. Summer picnics for families. A cooking program Meetings for parents. See more information about our activities here!
