OUR TEAM AND HELP TRANSFORM LIVES Agence Ometz is an organization of charity that supports and encourages individuals and families by offering a wide range of social, educational, employment and immigration services. Our work is guided by our values fundamental: autonomy, inclusion, human dignity, supportive communities and excellence. We are dedicated to helping those who seek our support to achieve their full potential and improve their quality of life. By joining the Ometz Agency, you will work with a team of professionals who are compassionate, committed and inspiring. Apply today! Description Building on over 150 years of excellent community service, Agence Ometz was created in April 2008. It is the result of the merger of Emploi Juif Montréal (JEM), Jewish Family Services (JFS) and Jewish Immigrant Assistance Services (JIAS).

The Ometz Agency offers a whole range of integrated services relating to all stages of life.

We are committed to strengthening those who are going through difficult times in their lives. In

1863, when Montreal had just under 1,000 Jews, a group of leaders

communities met in a store on rue Saint-Jacques and created the Young

Men's Hebrew Benevolent Society. They were then far from suspecting that they were founding

what would later become Jewish Family Services (JFS). The growing wave

of immigrants to Canada, partly due to the many newcomers fleeing their country and

who risked being deported upon their arrival, justified the creation of Assistance Services for

Jewish Immigrants (JIAS) in 1922. Over the years, JIAS has helped hundreds of thousands

of Jewish immigrants in their immigration application procedures and to settle in Canada. In

1945, Jewish Employment Montreal (JEM) was founded to meet the needs of Canadian veterans

war and people arriving from Europe in search of work. By the variety of services

offered to job seekers and employers, JEM has become a Montreal leader in

employment and placement matters. Currently, there are more than 13,000 people per year

who contact the Ometz Agency with the aim of improving their quality of life. The Agency offers a

set of services for the whole family whether it concerns difficulties experienced following the breakdown of family or mental illness, financial issues, looking for a job or

installation in Montreal.
