Master Moy Lin Shin transmitted to us. We are committed to making Tai Chi arts

Taoist® accessible everywhere, so that everyone who wishes can benefit from their

many benefits. Diligently practiced, these arts nourish the body and mind and

maintain health. We are working to make these benefits known and understood, and to

promote physical, mental and spiritual well-being in our communities. We aim, by

teaching Taoist Tai Chi® arts and holding other activities, to broaden access to

treasures of Chinese culture. We thus encourage understanding and respect between

peoples. Compassion is the very foundation of the FLK Institute. As an organization

service to others. Our inspiration is our founder, Master Moy Lin Shin, who devoted his entire

his life helping others without expecting anything in return. This is why teaching and

The administration of our clubs is entirely carried out by volunteers. Description Strength

Flexibility Quietness In ancient China, it was believed that health came when the body, the

heart and mind worked harmoniously together. Taoist Tai Chi® arts come from

this tradition and are a way to develop a body that is not only strong and flexible, but also

balanced and vigorous, a calm and clear heart while being creative and dynamic, and a mind

light and peaceful, and at the same time resilient. Taoist Tai Chi® arts involve stretching in

depth with a full range of motion and continuous rotation of the spine.

They move the whole body, including the musculoskeletal system and the circulatory system

as well as tendons, joints, connective tissues and organs. These arts do not depend

not tension or the development of hard muscle tissue, rather they allow

develop a relaxed and strong body to the deepest degrees. The gentle movements

internal balance throughout the body and soothe the heart and mind. Tai Chi arts

TaoistMD are indeed a meditation in movement. These arts help reduce stress

and have beneficial effects on many health problems, from back pain to

mental health problems. We offer classes and weekends for beginners in

hundreds of locations around the world.
